EMPLOYEE SPOTLIGHT

This month, meet one of our invaluable **Client Success Managers...**

KATE STROUD

Proudly representing the **Blue** pod, Kate plays a crucial part in supporting our clients throughout their journey with CampDoc/SchoolDoc. From navigating contracts to facilitating seamless onboarding, she ensures that our platform aligns with the needs of each organization.

With over two decades of experience as a patient advocate in childbirth, Kate brings a wealth of insight and **empathy** to her role. She approaches her work with **mindfulness**, understanding the intricacies of human interaction and the multiple responsibilities faced by each client.

Beyond her work at DocNetwork, Kate is a co-founder and current board chair of the **Michigan Prison Doula Initiative**—a non-profit providing compassionate pregnancy, birth, and postpartum support and education to incarcerated pregnant people. Her commitment to this initiative showcases her dedication to making a positive impact on marginalized communities.

Away from the professional realm, Kate knows how to let loose and have fun. She admits to loving a good kitchen **dance party**, adding a touch of vibrancy and joy to her everyday life. On her bucket list is to walk the **Camino de Santiago**, a testament to her adventurous spirit and willingness to embark on transformative journeys.
